

Paddle Australia's (PA) - Canoe Sprint **National Talent Squad (NTS)** aims to provide ongoing support for athletes selected as members of the 2019, Under 16 and Junior (U18) National Teams, plus additional identified talented athletes.

The NTS initiative aims to assist in athlete preparation towards a higher international performance, through provision of coaching expertise, training opportunities, performance support, athlete education and exposure to high performance environments and practices.

Canoe Sprint NTS athletes may at times benefit from a range of activities including:

- Paddling sessions/clinics/camps with State Institute and Academy of Sport coaches and squads and access to coaching support from Performance Pathway Hub Coaches.
- International competition and tour support.
- Domestic camp support – for athletes identified in national teams and squads.
- Athlete wellbeing and engagement workshops.
- Introduction and access to Strength and Conditioning and ongoing support which may include programs and lifting technique reviews and evaluation.
- Introduction and exposure to high performance training procedures and additional performance support
