

## Renewal

Skills and knowledge are lost over time unless a person actively works to maintain them. The best way to demonstrate that your skills and knowledge are current is to maintain your qualification.

All Paddle Australia (PA) coaching qualifications expire after a term of four (4) years. To renew, the holder must be able to demonstrate that they have maintained a level of competency equivalent to or above the qualification that they hold.

This is particularly important to ensure coaches are up to date with the latest techniques, coaching methods, safety issues, and injury prevention information.

## Requirements

Each level of coaching accreditation has its own renewal requirements.

The following is required for a PA Level 1 and Level 2 coach:

Level 1 Coach	Level 2 Coach
Attain Level 2 OR Complete 24 credit points of approved activity in four years	Complete 48 credit points of approved activity in four years

To view approved activities which count towards coaching renewal, please see the table on page 3.

Note: a valid First Aid certificate is also a mandatory requirement for all coaches.

## Renewal Procedure

During the four years of accreditation, PA coaches are required to keep an accurate record of their involvement in paddling and other associated activities.

At renewal time, PA coaches should submit:

- A completed renewal application form
- A copy of a personal logbook which supports the activity points claimed
- A copy of a valid First Aid certificate

The PA Education Manager will review and endorse satisfactory renewal applications.

## Coaches Holding More Than One Accreditation

PA coaches who hold more than one coaching accreditation will be required to complete the total number of renewal points in their 'main' area as well as half the number of renewal points in their second and/or third area. For example, an accredited coach in Whitewater can renew with the following points:

Whitewater	Level 1 (main area)	24 points
Flatwater	Level 1	12 points
Canoe Polo	Level 1	12 points

The workshops etc. attended for renewal in the second and/or third areas must be discipline specific.
