

INTRODUCTION

Paddle Australia (PA) is the National Sporting Organisation (NSO) responsible for the management, coordination, development, and promotion of paddling in Australia. PA is recognised by the Federal Government and represents the interests of its members to government and the public. PA's vision, contained in the [Strategic Plan for Paddling in Australia](#), is for 'A United Paddling Community'.

PA is committed to the provision of a high standard of competition, safety, and opportunity for paddling participation in Australia. This includes the development and delivery of the successful Canoe Slalom and Canoe Sprint Olympic and Paralympic programs and the six non-Olympic disciplines (Canoe Freestyle, Canoe Marathon, Canoe Ocean Racing, Canoe Polo, Wildwater Canoeing, and SUP), as well as recreational paddling.

PA is recognised by the International Canoe Federation (ICF); Oceania Canoe Association (OCA); Australian Sports Commission (ASC), Australian Institute of Sport (AIS); Australian Olympic Committee (AOC) and Paralympics Australia. As the peak body for paddle-related activity in Australia, PA works collaboratively with six (6) State Paddle Associations (SPAs), around 125 active clubs, eight (8) disciplines and approximately 12,000 members, instructors, and coaches and a broader community of some 400,000 paddlers.

Operating in a commercial and inclusive manner with government, business, and community, PA ensures the value of competitive and recreational paddling is understood and supported in all policy and business decisions.

There are currently eight members of the PA Board. The Board normally comprises five (5) Elected Directors and four (4) Appointed Directors. The Board is now seeking to fill a Casual Vacancy for an Elected Director to complement the skills of the current directors.
